OBJECTIVE

I aim to leverage my expertise in front-end and back-end technologies to create innovative, web applications. I continuously enhance my skills in modern web technologies, contribute to collaborative teams to deliver robust solutions.

SKILLS

- **Programming** : Java, Python, C
- **Frontend** : HTML, CSS, JavaScript, React-JS
- **Backend** : Spring, JDBC, DBEaver
- **Tools & Version Control** : Git & GitHub, Postman
- **Database** : MySQL
- **Web Design** : UI/UX using Figma
- **Tools** : , MS Word, MS Power point, Google Workspace
- **Graphics Design** : Photoshop, Canva

EDUCATION

National Institute of Science and Technology (Autonomous), Berhampur	2021-2025
<ul style="list-style-type: none">• Bachelor of Technology – Computer Science Engineering <i>CGPA – 8.6</i>	
D.A.V Public School , Dhanbad	2018-2020
<ul style="list-style-type: none">• Intermediate <i>Score – 77.2%</i>	
JLN Memorial Secondary School, Dhanbad	2016-2018
<ul style="list-style-type: none">• Matriculation <i>Score – 88.6%</i>	

PROJECTS

- **Face Recognition System :**
It employs advanced facial recognition technology, utilizing deep neural networks for rapid and accurate face identification. Designed for applications such as security and social media, it addresses challenges like varying lighting conditions and facial expressions.
- **Portfolio Website :**
Developed a Personal Portfolio Website to showcase professional skills, projects, and experiences using HTML, CSS, JavaScript.
- **AI Based Proctored Examination System :**
Its utilizing face recognition, secure login, and real-time monitoring for exam integrity. Designed user-friendly interface with secure login and exam management features.

CERTIFICATIONS

NPTEL : Problem Solving Through Programming C	2022
NPTEL : Python for Data Science	2022
NPTEL : Database Management System	2023
Google Cloud Study Jam	2023
GitHub Mastery Certification (Club Excel)	2023
Basic Electronic Domain (by EHC Club NIST)	2022
Contributed to open-source projects and participated in hackathons	2023

LEADERSHIP

Core Member NIST Counselling Service, NIST	<i>September 2022 -March 2023</i>
<ul style="list-style-type: none">• Representing the club's concerns and well-being at the council of clubs, I Excel effectively in interacting with individuals at all levels of the organization.• Conducted meetings, manage trainees and guides, and utilized strong organizational and planning skills to address problems, facilitate adaptation, an provide guidance in academic and co-curricular activities.
